

What is the Voucher Program?

The Voucher Program is here for any new member of AIS, any new E-Member, or for any current member who upgrades membership; that is, upgrades from a single membership to a triennial or to a dual, or an E-Member who upgrades to multiple years of E-Membership.

The program works like this: each new or upgraded member will receive a voucher in the mail from Membership Secretary, Tom Gormley.

Included with the voucher will be a listing of participating nurseries that accept the voucher with an order for irises. The listing will show what value each nursery places on the voucher and the minimum order each nursery requires. The list will also appear on the AIS website, www.irises.org

When you mail your order to one of the participating nurseries, include the voucher with the order. If you order online you must include your voucher number with your order. Your voucher can be used only once and with the nursery of your choice. The voucher should be redeemed promptly but there is no expiration date. The voucher value does not count toward a minimum purchase amount. Most vendors do not treat this as a discount off the order, but rather will provide you with a plant of their choice at the value listed for the voucher. You will pay the shipping charge on your order as usual.

If you have any questions about this program please contact Susan Grigg, Public Relations and Marketing Committee, 105 Trotters Ridge Dr., Raleigh, NC 27614, irismom1@att.net or Tom Gormley, Membership Secretary, PO Box 177, DeLeon Springs, FL 32130, aismemsec@irises.org
