

14th ANNUAL GEEK DINNER

What a great way to have dinner Friday night for anyone! Have you heard how much fun the Geek Dinner is? Eat with geeks and non-geeks that have learned what a fun time everyone has.

You don't have to be a computer person to attend... Just join a bunch of great iris folks for dinner. First, dinner and good conversation among iris friends and then, door prizes and an auction for more entertainment.

After having spent your day getting off the tour bus. rushing around the garden trying not to miss anything...then back on the bus to the next garden to repeat the same thing again...There is no better way to wind down your day than a relaxed evening with friends at the Geek Dinner reviewing all those iris that are now on your "wish list."

First there is meeting with all your friends and making new ones. If you happen to be a subscriber to one of the iris lists or electronic robins, you can meet other members and put faces to all those funny email names.

Of course there is a great meal. (see below)

Then the real fun for the night... The Geek Dinner Auction where you get to bid on new iris introductions, gift certificates from commercial iris growers, and iris themed items. The proceeds from the auction go directly into the American Iris Society Electronics Services fund that sponsors such things as the digital projector for slide shows and online AIS Bulletin archives.

Oh and of course some great doorprizes.

Now is the time to make plans for the, 14th annual Geek Dinner being held right in the convention hotel of the 2013 AIS National Spring Convention. Meet new friends and catch up with old ones.

The tables always fill up fast and unfortunately pre-registration is necessary. **PLEASE RSVP to Joanne Prass-Jones by Friday, April 12, 2013.**
