*You are invited to join the American Iris Society  
A non-profit organization of iris enthusiasts.*

AIS supports and encourages the growing, hybridizing, and celebration of irises – in all their beauty, and expanding diversity.

AIS does this through providing and promoting: education, exhibitions, field explorations, and gardening activities.

New AIS members receive AIS’s Basic Iris Culture Booklet, an informative booklet which provides guides facts and tips for successful iris growing.

**Standard AIS Membership** includes a subscription to the *AIS Bulletin*, a quarterly publication, which provides fresh information on iris culture, color photographs of both old and new irises, plus a Directory of commercial iris growers located in the United States and Canada.

**Electronic Membership** provides early access to the online AIS Bulletin (no print copy), all the benefits of standard membership, and a growing list of other online resources.

All members receive **News & Notes**, AIS’s electronic monthly Newsletter.

**AIS’s website [[www.irises.org](http://www.irises.org)]** is filled with resources for all iris lovers, growers and hybridizers, including links to the **AIS StoreFront** and the **Iris Encyclopedia**, which contains pictures and detailed information for over 70,000 irises of every ilk.

Within the AIS community there are several **Special Interest Sections and Cooperating Societies**, each with their own dues structure, meetings, and publications (*more information and links available on the AIS website*). Iris special interests include: Aril, Dwarf, Historic, Japanese, Louisiana, Median, Novelty, Pacific Coast Native, Reblooming, Siberian, Species, Spuria, and Tall Bearded

As a volunteer member organization, there are multiple opportunities for **member participation** in AIS at every level – local, regional, national, and global.

To those looking for an enjoyable gathering of likeminded gardeners; or, interested in exhibiting favorite beauties in a show, serving as a host garden, participating in educational events, becoming a judge, serving on a committee, or serving in office -

**AIS looks forward to welcoming you!**
