## **Reblooming Iris Society**

### **Welcome Letter and Cultural Information**

#### **Welcome to the Reblooming Iris Society**

Thank you for your membership in the Reblooming Iris Society (RIS), a section of the American Iris Society. Your membership will provide you with a subscription to **The Reblooming Iris Recorder**, our semi-annual publication containing articles about what has rebloomed, regional news, research, notes of personal experience and some advertising.

Our website at <http://www.rebloomingiris.com> has a wealth of information to further your knowledge and enjoyment of reblooming irises.

There is an annual Symposium for voting on your favorite rebloom irises in the different classes that you can participate in..

The RIS has 6 Regional Directors who collect and collate reports on reblooming irises and publish the results for the membership and the public. Our website has their contact information and they will be glad to offer you any assistance they can.

Sincerely,

Rose Kinnard , Membership Chairman  
Reblooming Iris Society  
1649 Madison 504 Fredericktown, MO 63645-8303
