*You are invited to join the American Iris Society
A non-profit organization of iris enthusiasts.*

AIS supports and encourages the growing, hybridizing, and celebration of irises – in all their beauty, and expanding diversity.

AIS does this through providing and promoting: education, exhibitions, field explorations, and gardening activities.

New AIS members receive AIS's Basic Iris Culture Booklet, an informative booklet which provides guides facts and tips for successful iris growing.

Print AIS Membership includes a subscription to the **AIS Bulletin**, a quarterly publication, which provides fresh information on iris culture, color photographs of both old and new irises, plus a Directory of commercial iris growers located in the United States and Canada.

Electronic Membership provides early access to the online AIS Bulletin (no print copy), all the benefits of standard membership, and a growing list of other online resources.

Full Membership includes all the above.

All members receive **News & Notes**, AIS's electronic monthly Newsletter.

AIS's website [www.irises.org] is filled with resources for all iris lovers, growers and hybridizers, including links to the **AIS StoreFront** and the **Iris Encyclopedia**, which contains pictures and detailed information for over 70,000 irises of every ilk.

Within the AIS community there are several **Special Interest Sections and Cooperating Societies**, each with their own dues structure, meetings, and publications (*more information and links available on the AIS website*).

Iris special interests include: Aril, Dwarf, Historic, Japanese, Louisiana, Median, Novelty, Pacific Coast Native, Reblooming, Siberian, Species, Spuria, and Tall Bearded

As a volunteer member organization, there are multiple opportunities for **member participation** in AIS at every level – local, regional, national, and global.

To those looking for an enjoyable gathering of likeminded gardeners; or, interested in exhibiting favorite beauties in a show, serving as a host garden, participating in educational events, becoming a judge, serving on a committee, or serving in office -

AIS looks forward to welcoming you!
