International Iris Competition FRANCIRIS® 2026

Hello,

The *Société Française des Iris* is organizing a competition for TB irises in May 2026 : FRANCIRIS® 2026. Irises that bloom in mid-season are more likely to be at their best during the competition.

The competition will take place on the grounds of *Parc Floral de Paris*, our partner. This park is located in the heart of Paris, in Vincennes. It presents many collections of plants which includes a collection of approximately 1500 historic irises.

We hope that you will do us the honor of participating in this contest by sending us your new or future introductions.

Each participant can send four varieties (2 rhizomes of each variety). We will send you the rules and organization of the competition as soon as we receive your application at this address: rdejoux.sfib@orange.fr

The closing date for accepting registrations for FRANCIRIS® 2026 is set for July 15, 2024

Sincerely

Roland DEJOUX
Président SFIB
